
The MESSENGER

Larimer County Bar Association

February 2016

PRESIDENT'S MESSAGE

As always, time moves too quickly, and I wonder how a year has passed since I began my term as President of the Larimer County Bar Association in March of 2015. It has been an honor to serve with my fellow board members Pete Dauster, Lindsay Steele-Idem, and Josh Zugish, as well as all of the hard-working members of the executive committee.

It has been a busy year for LCBA. LCBA has offered numerous free CLE opportunities on a wide variety of topics to continue serving our membership with education. The Young Lawyers Division organized another successful Professionalism Month in October, with a CLE luncheon and several breakfast socials hosted by local firms. In coordination with our judiciary, we have held several bench-bar events, such as the quarterly Bench-Bar meetings and regular happy hours to maintain the exemplary bench-bar relationships that we are fortunate to have here in Larimer County. The Access to Justice Committee organized two new and wildly successful events - Legal Resource Day in October and Family Resource Day in January. Again, our bench and bar demonstrate their commitment to serving the community and each other through participation in these activities. Although our bar is growing and changing, it is exciting to see that the heart and traditions of the LCBA continue to thrive.

The legal profession is a challenging one, intellectually and emotionally. Attorneys are held to a high standard of professional conduct, ethics, and service to clients and the community. From the first Term Day event I attended as a newer attorney to Young Lawyer socials to serving on the board for the LCBA for the past several years, I have personally experienced the support that our community of attorneys provides to each other. I have gained wonderful friends and colleagues through all of these experiences.

I encourage everyone to attend our upcoming Spring Term Day, which will be held on March 4, 2016. We will begin with a coffee and donut social at 8AM at the Larimer County Justice Center, Jury Assembly Room, followed by the bi-annual business meeting of the LCBA. Supreme Court Justice Hood will present awards to attorneys

and firms for their pro bono service in 2015. A luncheon will be held at the Rio Grande Agave Room at 12PM with a CLE Presentation from CBA President Loren Brown. At 2PM, join us for the LCBA's annual bowling tournament at Chipper's Lanes. Detailed information is attached.

I am grateful for the opportunity to serve as President this past year, and I thank you all!

Laurie Stirman
2015-2016 LCBA President

CONTINUING LEGAL EDUCATION

STUDENT LOAN STRATEGIES

“Student loan law is a new legal specialty, and folks, it’s a target-rich environment. 1.1 trillion dollars in student loan debt. 7 million student loan borrowers are in default, most 9 months or more behind on their payments. Filing bankruptcy doesn’t help. Federal Student Loan regulations are dense and complicated. Your average attorney is clueless how to help.”

This presentation is led by Douglas Triggs, Esq. whose practice is dedicated solely to student loan law, helping Colorado people who have difficult or overwhelming student loan debts. Come learn how to help.
