## PRESIDENT'S MESSAGE

### Save the Date!

# September 10, 2021

It is time for term day! This year's term day will look a little bit different than it has in the past. The business meeting will begin at 8:30 a.m. in the Jury Assembly Room. There will be a live stream option for those who are unable to come to court in person. Please plan to stay after the business meeting for coffee, donuts and socializing!

The traditional golf event and bike ride will follow the business meeting (more details to come!)

We will also have a dinner event starting at 6 p.m. This year we are going to have a picnic in the park! Please plan to join us in Civic Center Park. Bring a picnic blanket or chairs (or not, tables and chairs will be provided). This will be a family friendly event with yard games, a bounce house and band. The executive board is working diligently to find the most fabulous food trucks for this event. Soft drinks and dessert will be provided by the bar. We hope to see everyone on September 10<sup>th</sup>!

## BIKE RIDE

Bike Term Day once again invites any & all LCBA cyclists to enjoy an afternoon of two-wheeled adventure. The route takes us westward from the courthouse through Bellevue & environs. We stop at the Swing Station in La Porte on our way back for a cold beverage and camaraderie. You'll return to the courthouse in plenty of time to enjoy the rest of your day. The route is on paved bike trail/back roads, with no significant hills, and suits most abilities. For a bit more challenge you'll have the option to take-on Bingham Hill on the outbound leg of our trip, or stay on the Poudre bike path instead. Both groups meet up at Bellevue, then loop around the dairy and head toward friendly La Porte. The return from LaPorte is a short, quick jaunt back to the courthouse.

We'll assemble outside the Justice Center, and plan to leave at 1:30 P.M., Friday, September 10, 2021. Please let me know if you're intending to join the ride. And remember your helmet!

I'm happy to respond to your phone call or email if you have any questions about the event. [sara@HSDLawFirm.com](mailto:sara@HSDLawFirm.com)

<p style="text-align: center;"><b>ADMINISTRATIVE ORDER REGARDING FACIAL          COVERINGS AND COVID-19 DELTA VARIANT</b></p>	
<p style="text-align: center;"><b>ADMINISTRATIVE ORDER 2021-10</b></p>	

On July 27, 2021 the Center for Disease Control (hereinafter “CDC”) issued guidance regarding the spread and impact of the B.1.617.2 variant (hereinafter “Delta Variant”). The CDC is recommending both vaccinated and unvaccinated individuals wear face coverings in public indoor settings in areas having a “high” community transmission.

The Courts have worked diligently in conjunction with the Larimer County Department of Health and Environment during the pandemic to maintain critical operations and proceedings while focused on health and safety. Larimer County has been identified as an area of “high” community transmission. Additionally, the Courts and Probation operate in a public indoor setting. The Courts and Probation must continue to offer access to justice while maintaining the health and safety of the community. The Larimer County Department of Health and Environment supports face coverings in the Court and Probation buildings. Pursuant to the authority granted in Chief Justice Directive 95-01, all persons in the public areas of the court and probation buildings in Larimer County shall be required to wear face coverings until further notice. All Court staff serving the public must wear a face mask while interacting with the public.

Exceptions to the masking requirement are as follows:

- i. Children under the age of eleven;
- ii. Those individuals who have medical conditions which make wearing a mask or covering a risk to their health or that will interfere with their breathing; or
- iii. People who are giving a speech for broadcast or audience including testimony and interpretation (however the mask must be worn when not speaking).

The Courts will continue to closely monitor new information on the Delta Variant and follow recommendations from the Larimer County Department of Health and Environment. Further modifications to this Order may be issued as circumstances require.

Dated this 3<sup>rd</sup> day of August, 2021.

***(Parental Risk Evaluation)***

This program will allow litigants to seek out the assistance of experts in specific areas that often are crucial to settlement or the court's determination in domestic relations cases. The featured assessments, such as drug/alcohol evaluations and a pilot program entitled Voice of the Child, will be available at a considerably lower cost than that of a Child and Family Investigation or Parental Responsibilities Evaluation. A panel of experts will answer your questions about how to request these assessments and the potential benefits they offer to litigants.

The final panel of presenters (including magistrates and experts in the various subject matter areas eligible for appointment) will be announced in the reminder notice to be sent out closer to the date of the CLE. Sample forms of motion and order of appointment will be provided.

# NATIONAL ADOPTION DAY

We are in the planning process for National Adoption Day to be held in November. We are confirming the date, but it should be in mid-November. If you are handling an adoption matter and want your adopting family to participate, please coordinate through the Court Clerk. There are multiple ways to support National Adoption Day.

If you have a contact with a person or group that could make the celebration fun for the adopting families and their new family member, please let me know. Examples include a contact for CSU cheerleaders, sports figures, entertainers, and so on. They do not need to be available all day; we will work out schedules. We will be soliciting donations for items to put in gift bags for the adopting families. In addition to teddy bears (ordered at a great price through the National Adoption Day program), we have previously included things like a gift certificate for Walrus Ice Cream, stickers, or crayons and coloring books. You can donate items, money toward the gift bags, or information on business contacts who might donate. We will need some assistance setting up and taking down the decorations (more details to come).

If you donate money, please send your donation to the LCBA with a notation that the donation is for Adoption Day. If you are donating time or items, please email Heidi Whitaker at [heidi@burnhamlaw.com](mailto:heidi@burnhamlaw.com) to coordinate. Thank you!

Please include my paralegal, Chelsea ([chelsea@burnhamlaw.com](mailto:chelsea@burnhamlaw.com)) as appropriate for your matter, on all correspondence for more efficient responses.

**Crossroads Safehouse.** In 1980, Crossroads Safehouse was founded by a group of concerned citizens who identified the need for emergency safe housing and advocacy services to support victims of domestic violence in Fort Collins. They partnered with the City of Fort Collins and received a block grant to purchase a 4-bedroom home in Old Town. The house was filled on the same day it was opened. Over the next 41 years, Crossroads continued to expand into larger facilities as the community's needs grew. In 2009, Columbine Health Systems donated one of its assisted living facilities to us and, following a renovation, we moved into the 29,000 square foot facility. Today, our emergency shelter includes 31 resident rooms (4 neighborhoods) and it is capable of accommodating up to 96 clients. Clients who seek help from Crossroads are provided with basic needs, crisis intervention, safety planning, victim advocacy, and resource assistance.
